A Word From Pastor Stephen

Happy New Year! Here we are in 2025 & life still looks nothing like it did on *The Jetsons*. C'mon Elon!

When I first started seminary, there was one book that it seemed like everyone knew about except for me. It was called *"Spiritual Disciplines for the Christian Life"* by Don Whitney. Well, my second semester, he came on to the faculty at the seminary and I was in his first class on...the spiritual disciplines. This was one of my most memorable classes as we spent the entire semester learning the purposes and methods of things like individual bible reading and study, prayer, individual worship, solitude, journaling, fasting, etc. I still use much of what I learned on a regular basis.

In addition to his books, Dr. Whitney also publishes smaller articles with suggestions to help us to be spiritually healthy. I have copied one of those below entitled **"10 Questions to Ask Yourself at the Start of A New Year"**. I hope that you will take some time here at the first of the year to get alone for a bit and read through these questions and answer them prayerfully and specifically.

1. What's one thing you could do this year to increase your enjoyment of God?
2. What's the most humanly impossible thing you will ask God to do this year?
3. What's the single most important thing you could do to improve the quality of your family life this year?
4. In which spiritual discipline (prayer, Bible study, fasting, etc.) do you most want to make progress this year, and what will you do about it?
5. What is the single biggest time-waster in your life, and what will you do about it this year?
6. What is the most helpful new way you could strengthen your church?
7. For whose salvation will you pray most fervently this year?
8. What's the most important way you will, by God's grace, try to make this year different from last year?
9. What one thing could you do to improve your prayer life this year?
10. What single thing that you plan to do this year will matter most in ten years? In eternity?

So let's evaluate our lives, make plans and goals, and live this new year with biblical diligence, remembering that, 'The plans of the diligent lead surely to advantage' (Proverbs 21:5). But in all things let's also remember our dependence on our King who said, 'Apart from Me you can do nothing' (John 15:5)." – Dr. Don Whitney.

As your pastors, Alex and I would love to know how we can help, encourage, and equip you as you pursue your joy in Christ and the glory of God in 2025. May this be a year of tremendous spiritual growth as individuals and collectively as First Baptist Church- Lord make it so!

As always, I am working *with* you for your joy, progress, and maturity in the faith.

I LOVE YOU, FBC

We have 10 going to this conference in Louisville, Kentucky. Please be in prayer that the Lord would impart in us a desire to see the unreached around the globe reached with the gospel and would be faithful to see that happen by obeying Christ wherever He leads.
